MEMORANDUM FOR: Acting Director of Central Intelligence

FROM:

[Redacted]

25X1

Director, Intelligence Community Staff

SUBJECT:

Letter to General Bernard W. Rogers

The purpose of this letter is to answer the mail while informing SACEUR that the NATO Intelligence Support Steering Committee is a DoD program which has our active participation and support. The main point is that it's premature to have RADM Rodocanachi present until we straighten out our national problems. Recommend we send a drop copy to DoD.
